### DESCRIPTION

- Delivers up to 2.5x more run time, up to 20% more power and up to 2x more battery life compared with other Lithium-Ion technologies and / or with previous Milwaukee® battery technology. (Results depend on tool and application).
- REDLITHIUM-ION protection with Milwaukee® REDLINK™ digital overload protection to prevent users from damaging their cordless power tool investment in abusive situations.
- Individual cell monitoring ensures optimal charge and discharge for maximum life.
- Durable metal frame battery construction with shock responsive separators preventing pack failure from excessive vibrations or drops.
- Water protection routes water away from the electronics & out of the battery pack.
- Can be used in extreme temperatures down to -20 °C without compromising on runtime and battery life.
- On-board battery fuel gauge helps the user to maximize his battery run-time efficiency.

### FEATURES

|                            |         |
|----------------------------|---------|
| Symbol                     | M18 B52 |
| Napięcie akumulatora [V]   | 18      |
| Pojemność akumulatora [Ah] | 5.0     |
| System                     | M18™    |
| Typ akumulatora            | Li-Ion  |
