DESCRIPTION

- High performance motor delivers 3200 rpm for fast cutting.
- REDLINK™ overload protection electronics in tool and battery pack deliver best in class system durability.
- Compact, ergonomic design provides superior control over standard metal saws, reciprocating saws and band saws.
- Ergonomic soft grip handle design for more comfortable use.
- Electronic motor brake, saw blade stops within seconds.
- Individual battery cell monitoring optimises tool run time and ensures long term pack durability.
- Built in LED light illuminates the work surface.
- Fuel gauge displays remaining charge.
- REDLITHIUM™-ION battery pack provides superior pack construction, electronics and fade-free performance to deliver more run time and more work over pack life.
- Premium 174 mm carbide blade.
- Supplied with 36 tooth blade.
- **Supplied without battery and charger.**
