DESCRIPTION

- Designed for use with impact drivers the SHOCKWAVE™ IMPACT DUTY accessory line is not only ideal for heavy duty impact applications, but also delivers a full system solution for all the user's drilling and fastening needs.
- Laser hardened WEAR GUARD TIP™ for improved wear resistance and protection of the fit over the life of the bit.
- SHOCK ZONE™ Geometry - designed to flex:
- SHOCK ZONE™ reduces stress at the tip resulting in less tip breakages. The combination of the SHOCK ZONE™ design and special heat treatment absorbs impacts and allows the bit to flex with spring like action.
- Custom engineered steel - Milwaukee® custom metal formula makes the SHOCKWAVE™ bits more resistant to shock from impacting.

FEATURES

Symbol	4932471582
