DESCRIPTION

Designed for use with impact drivers the SHOCKWAVE[™] IMPACT DUTY accessory line is not only ideal for heavy duty impact applications, but also delivers a full system solution for all the user's drilling and fastening needs.
 Laser hardened WEAR GUARD TIP[™] for improved wear resistance and protection of the fit over the life of the bit.

- SHOCK ZONE[™] Geometry designed to flex:
 SHOCK ZONE[™] reduces stress at the tip resulting in less tip breakages.
- The combination of the SHOCK ZONE[®] design and special heat treatment absorbs impacts and allows the bit to flex with spring like action.
 Custom engineered steel Milwaukee[®] custom metal formula makes the SHOCKWAVE[®] bits more resistant to shock from impacting.
