DESCRIPTION

- Diamond grit drills and holesaws are designed for cutting holes in extremely hard materials such as porcelain/gres/quarry tiles, cast iron or fibreglass.
- These bits & holesaws guarantee superior life and fast cutting even in the hardest of materials.
- Can be used either on angle grinders with relevant adaptor or with a drill driver.
- Minimal water cooling: A continuous flow of water is not required to cool the bits & holesaw during cutting.
- Simply dip them in water before starting the cut and every 5 seconds during cutting for optimal performance.
- Clean holes: Drills clean, precise holes without any perimeter scratches.
- Superior lifetime and durability due to the high grade diamond bond and the tough alloy body which resists bending under stress.
- Easy slug removal due to the multiple access slots.

FEATURES

Symbol	49560509
D	10.00
Typ	diamentowe
Opis	do wiercenia na mokro/sucho
Ilość elementów	1
Uchwyt	1/4" Hex
